Millage Discussion: Cooley stated that approximately \$100,000 in revenue will be lost if the millage fails in November. The Board discussed the need to review what services would need to be discontinued if the millage fails. There are mandatory services/duties that the Township must provide and funds will have to be directed to those obligations. No decisions were made.

AED Quotes: Tabled

On Call Policy: The fire department has implemented an on call policy and asked that the wording be reviewed by Michigan Townships Association and/or an attorney. Holbrook moved and Wilson supported to adopt the policy as reviewed/revised by MTA. Wilson is to contact MTA. All Ayes, No Nays, Motion Carried.

Cleanup Day: Cooley received a quote from Padnos' in regards to scrap metal but no other quotes were received for the actual trash service. The Board had only authorized the spring cleanup, with the understanding that we would seek other proposals for the fall cleanup. Since no proposals were received, the Board opted to not conduct a fall cleanup. Cooley moved to schedule a fall cleanup but there was no support so the motion failed.

Old Business:

Resignation of Clerk: Clerk Wilson had submitted her resignation on June 25, 2026 due to a medical issue. The Board chose to postpone acceptance of that resignation. It was discussed that Wilson would stay in the position until end of day on Friday, August 14, 2026. Moved by Cooley, Support by Purchase to accept the terms of resignation. All Ayes, No Nays, Motion Carried.

Clerk Appointment: Cooley moved and Holbrook supported to appoint Cathy Brown as the Clerk effective August 15, 2026. All Ayes, No Nays, Motion Carried

Insurance: Cooley explained the quotes that were received from Glatfelter Public Entities. The Workers compensation portion is very similar to what we are paying now but the cybersecurity and liability policy was far less expensive and had better coverage as well as optional additional coverages. Cooley moved to accept the base proposal as presented. Support by Purchase. Roll Call: Cooley, yes; Purchase, yes; Mead, yes; Wilson, yes; Holbrook, yes. All Ayes, No Nays, Motion Carried. The Fire chief and Supervisor will review optional add-on policies and make recommendations to the Board at a later date.

Benzie Conservation District/PRP Property Discussion: Cooley reported that one member of the cooperative between Benzie Conservation, HARP & Homestead Township felt that the Conservation District should own the land that the proposed building will occupy. There was discussion as to exchanging deeds for thee 2 acres within Platte River Park for the 2 acre replacement parcel. Many of the Board members were against deeding any portion of the park but felt that we needed independent legal advice before proceeding. Chief Markey recommended a legal firm with expertise in municipal law. Cooley will pursue this matter and report back to the Board.

Par Plan Resolutions: Cooley pointed out that with the change in insurance companies, the Township would no longer be eligible to apply for grants through Par Plan. It was determined by the Board and agreed upon by the Chief Markey that the savings in insurance costs outweighed the value of the grant.

Eclipse/Internet Cables Quote: Cooley expressed concern about the cost of using Eclipse to replace the cables. An agent from Alaze LLC stated that it could be done for far less, approximately \$500 in materials and 3 to 4 hours labor. There was no motion or formal action taken but the consensus was to reject the Eclipse bid and continue to “piecemeal” the project.

Resignation/Planning Commission: Cooley made the motion to accept the resignation of Wayne Corbett from the planning commission. Holbrook supported. All Ayes, No Nays, Motion Carried.
